Cartridge Return Program

DEVELOP Return Program cartridges are patented print cartridges sold at a discount in exchange for the customer's agreement to the license requirement that the cartridges will be used only once and returned only to manufacturer for remanufacturing or recycling. These patented cartridges are licensed for single use only and will stop working after delivering a fixed amount of toner. Toner may remain in the cartridge when replacement is required.

Replacement cartridges sold without these restrictions (non-returnable cartridges) are also available. Please contact a DEVELOP representative for further details and availability.
